OCONTO COUNTY SNOWMOBILE ALLIANCE

In December 1988, John Kranzsch Director to the AWSC for Oconto County was instrumental in organizing the County Alliance. John and others felt that a group of clubs could accomplish more on the state and county level by banding together. At that time there were 11 clubs that worked together to promote snowmobiling in Oconto County.

As of 2019 there are 8 clubs including the Oconto Falls Snow Jokers, Bagley & Brazeau Joyriders of Klondike, Chase Sno-Chasers, Gillett Sno Riders, Lena Snow Drifters, Chute Pond Snowmobile Club, Paul Bunyan Riders of Lakewood and Red Arrow Snowmobile ATV Club of Townsend. The Iron Snowshoes Club of Marinette County also belongs to the Alliance as they have trails coming into the eastern side of Oconto County. These clubs spend an estimated 10,000 volunteer hours each year preparing, brushing and grooming the 475 miles in the county. Overall coordination of the county wide trail system is the responsibility of the Oconto County Parks and Recreation Department. This newest 2019-2021 map is provided by the Alliance with the help of all the sponsors listed.

Please patronize them to show your support!!

You may not know that the Snowmobile (and ATV) sports are entirely self-funded by users. All monies spent on trail placement, upgrading and maintenance comes from machine registrations and a small rebate from the state gas tax based on how much fuel each machine burns in off highway use. Most clubs have fundraisers and club dues to supplement the cost of maintaining the trails. Equipment, insurance and fuel are major expenses for clubs and can total hundreds of thousands of dollars when you include the cost of replacing groomers and drags.

Please consider joining a club.
Thanks for your support and see you on the trail!
